

## CONTENTS OF VOLUME 9

Achterberg, J. See Lambert, P. L.		77
Amrhein, R. B. See Thompson, R.		
Archer, T., Ogren, S.-O., & Ross, S. B. <b>N-2-chloroethyl-N-ethyl-2-bromobenzylamine hydrochloride (DSP4)</b> , a new selective noradrenaline neurotoxin, and taste neophobia in the rat.....		
197	Duncan, C. C., Thompson, W. G., & Hicks, L. H. <b>Effects of lesions in the basal ganglia on the retention of two-way active avoidance performance</b> .....	77
Archer, T., & Sjödén, P.-O. <b>Environment-dependent taste-aversion extinction: A question of stimulus novelty at conditioning</b> .....	Eames, L. C. See Oakley, D. A.	
Asin, K. E. See Wirtshafter, D.	Eisenstein, E. M. See Buerger, A. A.	
Barry, R. J. <b>Comparability of EDA effects obtained with constant-current skin resistance and constant-voltage skin conductance methods</b> .....	Ellman, S. J. See Halperin, J. M.	
Barry, R. J., & James, A. L. <b>Fractionation of respiratory and vascular responses with simple visual stimulation</b> .....	Evans, S. H. See Gage, F. H.	
Bender, D. B., & Gross, C. G. <b>Backward masking in monkeys after foveal prestriate and inferior temporal cortex lesions</b> .....	Eves, F. See Gruzelier, J.	
Berger, D. F., Starzec, J. J., & Mason, E. B. <b>The relationship between plasma corticosterone levels and leverpress avoidance vs. escape behaviors in rats</b> .....	Felsten, G., & Wasserman, G. S. <b>The photoreceptor sensory code for perceived duration during visual masking</b> .....	68
Blanchard, D. C., Williams, G., Lee, E. M. C., & Blanchard, R. J. <b>Taming of wild <i>Rattus norvegicus</i> by lesions of the mesencephalic central gray</b> .....	Erratum.....	244
Blanchard, R. J. See Blanchard, D. C.	Fiducia, D. See Joseph, R.	
Blau, A. See Poteagal, M.	Fitzgerald, R. D. See Hatton, D. C.	
Boissard, C. G. See Wellman, P. J.	Forrest, N. M. See Joseph, R.	
Buerger, A. A., Eisenstein, E. M., & Reep, R. L. <b>The yoked control in instrumental avoidance conditioning: An empirical and methodological analysis</b> .....	Gage, F. H., & Evans, S. H. <b>Exploratory analysis of deficits in DRL performance induced by medial and lateral fornix damage</b> .....	49
Clark, G. A. See Lavond, D. G.	Glanzman, D. L., & Schmidt, E. C. <b>Ethyl alcohol inhibits habituation of the nictitating membrane reflex response in the intact frog</b> .....	117
Cleland, G. C. See Oakley, D. A.	Glusman, M. See Poteagal, M.	
Colbern, D. See Isaacson, R. L.	Golus, P. See McGee, R.	
Collier, A. C. See McGivern, R. F.	Gorelick, D. A. See Shull, R. N.	
Como, P. See Joseph, R.	Gray, T. S., & Meyer, D. R. <b>Effects of mixed training and overtraining on recoveries from amnesia in rats with visual cortical ablations</b> .....	54
Connolly, J. See Gruzelier, J.	Gross, C. G. See Bender, D. B.	
Consroe, P. See Martin, P.	Grupp, L. A. <b>An investigation of intravenous ethanol self-administration in rats using a fixed ratio schedule of reinforcement</b> .....	359
Coover, G. D. See Sutton, B. R.	Gruzelier, J., Eves, F., & Connolly, J. <b>Reciprocal hemispheric influences on response habituation in the electrodermal system</b> .....	313
Cormier, S. M. <b>A match-mismatch theory of limbic system function</b> .....	Halperin, J. M., Ellman, S. J., Stern, Y., Pavlides, C., Halperin, R., & Steiner, S. S. <b>The effect of hindbrain lesions on a variety of measures of feeding behavior in rats</b> .....	171
Cox, W. M. <b>Simultaneous incentive contrast effects with alcoholic and nonalcoholic beverages as the discriminanda for reward magnitude</b> .....	Halperin, R. See Halperin, J. M.	
Crine, A. F. <b>Effects of vasopressin on open-field behavior in rats</b> .....	Harrell, E. H. See Lambert, P. L.	
Cuadras, J. <b>Behavioral determinants of severe cardiac inhibition</b> .....	Harwell, G. See Tramill, J. L.	
Davey, G. C. L. See Oakley, D. A.	Hatton, D. C., Mahalik, T., & Fitzgerald, R. D. <b>Reflexive blood pressure and heart rate responses of spontaneous hypertensive rats to electric shock</b> .....	379
David-Remacle, M. See Sara, S. J.	Hendricks, S. E. See Nikels, K. W.	
Davies, V. A. See Kemble, E. D.	Hess, E. H. See Metalis, S. A.	
Davis, S. F. See Tramill, J. L.	Hicks, L. H. See Duncan, C. C.	
DeWitt, J. R. See Horn, K. M.	Hilliard, C. A. See Thompson, R.	
Dooling, R. J., & Searcy, M. H. <b>A comparison of auditory evoked potentials in two species of sparrow</b> .....	Holmes, D. T. See Lavond, D. G.	
293	Horn, K. M., DeWitt, J. R., & Nielson, H. C. <b>Behavioral assessment of sodium arsenite induced vestibular dysfunction in rats</b> .....	371
Hotchin, J. See McFarland, D. J.	Isaacson, R. L., & Colbern, D. <b>Hippocampal lesions, haloperidol, and excessive grooming</b> .....	260
James, A. L. See Barry, R. J.	Jacobs, J. L. See Oakley, D. A.	
Joseph, R., Forrest, N. M., Fiducia, D., Como, P.,		

& Siegel, J. <b>Electrophysiological and behavioral correlates of arousal</b> .....	90	Nikels, K. W., & Hendricks, S. E. <b>Perinatal hormones and genital anesthetization: Effects on masculine sexual behavior of rats</b> .....	288
Kaplan, H. See Schull, J.		Noble, R. G. See Nelson, J. L.	
Kemble, E. D., & Davies, V. A. <b>Effects of prior environmental enrichment and amygdaloid lesions on consumatory behavior, activity, predation, and shuttlebox avoidance in male and female rats</b> .....	340	Novin, D. See Martin, J. R.	
Kimmel, H. D., & Murrin, M. R. <b>Habituation and rehabituation of the electrodermal orienting reflex in <i>Macaca fascicularis</i> monkeys as a function of stimulus variability</b> .....	231	Oakley, D. A., Eames, L. C., Jacobs, J. L., Davey, G. C. L., & Cleland, G. C. <b>Signal-centered action patterns in rats without neocortex in a Pavlovian conditioning situation</b> .....	135
Kirkby, R. J. See Polgar, S.		O'Brien, C. P. See Schull, J.	
Kittrell, E. M. W., & Thiessen, D. D. <b>Does removal of the Harderian gland affect the physiology of the Mongolian gerbil (<i>Meriones unguiculatus</i>)?</b> .....	299	Ogren, S.-O. See Archer, T.	
Kuchinomachi, Y. <b>Temporal location effect of noise burst intensity on auditory evoked potentials</b> .....	308	Ostrowski, N. L. See Nelson, J. L.	
Kurumiya, S., & Umemoto, M. <b>Prolonged hyper-reactivity of septal rats with intraventricular pre-treatment of 6-hydroxydopamine</b> .....	347	Pavlides, C. See Halperin, J. M.	
Lambert, P. L., Harrell, E. H., & Achterberg, J. <b>Medial hypothalamic stimulation decreases the phagocytic activity of the reticuloendothelial system</b> .....	193	Pettijohn, T. F., & Lozanoff, B. <b>Conditioned social aversion in young male Mongolian gerbils (<i>Meriones unguiculatus</i>)</b> .....	305
Lavond, D. G., McCormick, D. A., Clark, G. A., Holmes, D. T., & Thompson, R. F. <b>Effects of ipsilateral rostral pontine reticular lesions on retention of classically conditioned nictitating membrane and eyelid responses</b> .....	335	Polgar, S., Sanberg, P. R., & Kirkby, R. J. <b>Is the striatum involved in passive-avoidance behavior? A commentary</b> .....	354
Lee, E. M. C. See Blanchard, D. C.		Poteag, M., Blau, A., & Glusman, M. <b>Inhibition of intraspecific aggression in male hamsters by septal stimulation</b> .....	213
Lints, C. E. See Sutton, B. R.		Power, P. See McGee, R.	
Lobaugh, N. J. See McGivern, R. F.		Prkachin, K. M. See Midgley, G. C.	
Lozanoff, B. See Pettijohn, T. F.		Reep, R. L. See Buerger, A. A.	
Mahalik, T. See Hatton, D. C.		Reid, L. D. See Nelson, J. L.	
Malpas, P. B. See Wellman, P. J.		Remley, N. R. See Voorhees, J. W.	
Martin, J. R., & Novin, D. <b>Response to dipsogenic stimuli after abdominal vagotomy in rats</b> .....	181	Ross, S. B. See Archer, T.	
Martin, P., & Consroe, P. <b>A preliminary study of THC-LSD interactions on rabbit EEG and behavior</b> .....	219	Roszman, R. See Vossel, G.	
Mason, E. B. See Berger, D. F.		Sanberg, P. R. See Polgar, S.	
McCormick, D. A. See Lavond, D. G.		Sara, S. J. & David-Remacle, M. <b>Discriminative avoidance learning in hippocampal and cortical rats: Acquisition rate, behavioral strategies, and long-term retention</b> .....	37
McFarland, D. J., Sikora, E., & Hotchin, J. <b>Age at infection as a determinant of the behavioral effects of herpes encephalitis in mice</b> .....	87	Sbordone, R. J. See Shull, R. N.	
McGee, R., Power, P., & Gulus, P. <b>Long-term effects of sodium pentobarbital anesthesia on novelty-induced behaviors</b> .....	364	Schmidt, E. C. See Glanzman, D. L.	
McGivern, R. F., Lobaugh, N. J., & Collier, A. C. <b>Effect of naloxone and housing conditions on shock-elicited reflexive fighting: Influence of immediate prior stress</b> .....	251	Schull, J., Kaplan, H., & O'Brien, C. P. <b>Naloxone can alter experimental pain and mood in humans</b> .....	245
Metalis, S. A., & Hess, E. H. <b>Psychophysiological index attenuation to pictures</b> .....	235	Searcy, M. H. See Dooling, R. J.	
Meyer, D. R. See Gray, T. S.		Shull, R. N., Sbordone, R. J., & Gorelick, D. A. <b>EEG correlates of mescaline-induced pathological aggression in rats</b> .....	208
Midgley, G. C., Prkachin, K. M., & Tees, R. C. <b>Exploratory behavior of rats following visual cortical and subcortical lesions</b> .....	152	Siegel, J. See Joseph, R.	
Murkin, M. R. See Kimmel, H. D.		Sikora, E. See McFarland, D. J.	
Muzet, A. See Weber, L. D.		Sjödén, P.-O. See Archer, T.	
Nelson, J. L., Ostrowski, N. L., Noble, R. G., & Reid, L. D. <b>Naloxone reverses ethanol's effects on sexual behavior of the female Syrian hamster</b> .....	367	Spiliotis, P. H. See Thompson, R.	
Nielson, H. C. See Horn, K. M.		Starzec, J. J. See Berger, D. F.	
		Steiner, S. S. See Halperin, J. M.	
		Stern, Y. See Halperin, J. M.	
		Sutton, B. R., Coover, G. D., & Lints, C. E. <b>Motor debilitation, short- and long-term shuttlebox deficits, and brain monoamine changes following foot-shock pretreatment in rats</b> .....	127
		Tees, R. C. See Midgley, G. C.	
		Thiessen, D. D. See Kittrell, E. M. W.	
		Thompson, R., Amrhein, R. B., & Hilliard, C. A. <b>Latchbox performance as affected by medial thalamic and habenular lesions in rats</b> .....	145
		Thompson, R., & Spiliotis, P. H. <b>Subcortical lesions and retention of a brightness discrimination in the rat: Appetitive vs. aversive motivation</b> .....	63
		Thompson, R. F. See Lavond, D. G.	
		Thompson, W. G. See Duncan, C. C.	

Tramill, J. L., Turner, P. E., Harwell, G., & Davis, S. F. <i>Alcoholic hypoglycemia as a result of acute challenges of ethanol</i> .....	114	suppression of water intake induced by phenylpropanolamine in rats .....	203
Turner, P. E. See Tramill, J. L.		Wikler, K. C. See Wellman, P. J.	
Ueki, S. See Yoshimura, H.		Williams, G. See Blanchard, D. C.	
Uguru-Okorie, D. C. <i>An experimental analysis of the feeding and body weight effects of a unilateral 6-hydroxydopamine lesion of the medial forebrain bundle in the rat</i> .....	187	Wirtshafter, D., & Asin, K. E. <i>Shock-induced suppression of drinking following electrolytic median raphe lesions</i> .....	263
Umemoto, M. See Kurumiya, S.		Woodruff, M. L. <i>Hippocampectomy attenuates the reduction of operant rate produced by d-amphetamine</i> .....	223
Vaughan, J. See Weldon, D. A.		Yagi, A. <i>Averaged cortical potentials (lambda responses) time-locked to onset and offset of saccades</i> .....	318
Voorhees, J. W., & Remley, N. R. <i>Mitral cell responses to the odors of reward and nonreward</i> .....	164	Yoshimura, H., & Ueki, S. <i>Mouse-killing and hyperemotionality in rats induced by three different kinds of experimental manipulations: A comparative study</i> .....	269
Wasserman, G. S. See Felsten, G.			
Weber, L. D., & Muzet, A. <i>Rapid eye movement production: Effects of activation phases and traffic noises</i> .....	329		
Weldon, D. A., & Vaughan, J. <i>Scopolamine effects on intracranial self-stimulation extinction</i> .....	285	Announcements	
Wellman, P. J., & Boissard, C. G. <i>Influence of fluid deprivation level on the extinction of conditioned taste aversion induced by amphetamine in female rats</i> .....		Change in editorship .....	1
Wellman, P. J., Malpas, P. B., & Wikler, K. C. <i>Conditioned taste aversion and unconditioned</i>	281	Twenty-Second Annual Meeting of the Psychonomic Society .....	2
		Special issue of <i>Behavior Research Methods &amp; Instrumentation</i> .....	333
		Change in Editor and Consulting Editors .....	393
